

Quarterly News & Updates - June 2021

Our Mission: "To empower women and men considering abortion to choose life for their child and life for themselves in Christ"

BCPC participates in "Night for Life" 2021

Community event in Quincy, MA

"The first of the 'unalienable rights' affirmed by our Declaration of Independence is the right to life itself."

July 4th through Labor Day Summer is here and it is time to get outside and have some fun!

Enjoy God's awesome creation while supporting the gift of life made in HIS image!

Spend an exciting day in July or August biking or hiking with your family or friends while supporting the life saving work at BCPC! You could be having a great time while making a difference in the life of a woman facing an unplanned pregnancy.

You get to choose the time and place to bike or hike, and if you gather a few sponsors you will receive a Bike or Hike for Life T-shirt and have an opportunity to win some great prizes!

Just go to: BikeorHikeforLife.org and sign up.

Abby Johnson signs her book "Unplanned" for Diane O'Toole, BCPC Executive Director

Homer Allen, Director of Community Engagement and Diane O'Toole at the BCPC table at the event.

Recent Center Statistics:

- 149 Client visits since January 1st.
- 80 additional post abortion counseling visits.

Choose Life!

Alexia's Twin Boys!

"My name is Alexia. I found out about BCPC because my pastor's wife Leona recommended this Center to me for support. At first, I didn't know if I wanted to keep the pregnancy; I was having some issues with my partner. It was a difficult process but being able to talk to someone regularly at the Center was really helpful for me throughout this time. One of the biggest supports was having a solution or a comforting word after every session at BCPC."

A Message from the Executive Director:

Since my time here at BCPC I have noticed the extreme commitment of the staff, volunteers and supporters of BCPC. This is a truly unique organization which serves those with unplanned pregnancies and their unborn. A people that are often overlooked and forgotten.

I arrived at BCPC during the Baby Bottle Campaign fundraiser. It was mostly virtual this year, due to the pandemic. What a fitting campaign, focused on what the center seeks to do - supply much support for those who choose life for their unborn babies.

There are many wonderful opportunities of support that occur at the center. Free counseling, pregnancy tests and ultrasound referrals; free clothing, diapers, formula and other items; free parenting classes and mentoring programs and after abortion counseling services. We could not provide all this without the support of our many donors and volunteers, to whom we are very grateful. **Here at the Center, we literally save lives every day, week, month and year.**

My priority items that I would like to accomplish as the new Executive Director here are to renew the communication to our volunteers and supporters by re-establishing the quarterly BCPC newsletter. I also will work to establish the BCPC partners website and venture into the podcast

world. We have already circulated the Nurse Practitioner job description as we seek to establish ultrasounds on site. There are after abortion programs that should be expanded, as well as men's programs. It would be great to be able to have a men's counselor on staff.

This is a preliminary glance at some of the wonderful ways we come alongside and love upon the women and men who find themselves with unplanned pregnancies and do not know what to do and where to turn.

I consider it a privilege to be a part of God's work here at the Center and look forward to the exciting plans that God has for us here!
